

**Decorah Bank
& Trust Company**

Yesterday. Today. Tomorrow.

Decorah Bank Advantages

Size

We are big enough to handle most financial needs. We are small enough to handle them well.

Experience

Our experience in banking and finance means we can find solutions when others may not. You will have a unique customer service experience including enthusiastic staff members to help you.

Convenience

We are a leader in bringing you new and convenient technologies. We are open 6 days a week and accessible when you need us.

Community

We take pride in what we commit in both time and treasure in countless community projects making this a great place to call home.

Ownership

We are locally owned and managed giving you access to decision makers. Our stockholders are more interested in long term relationships than short term earnings.

People

Our phones are answered by people. Credit decisions are made by people right here. Our biggest advantage is understanding people.
